Amendments and Additions to the Base Prospectus 3
Amendments to the Section "RISK FACTORS" 5
AMENDMENTS TO THE SECTION "INFORMATION ON MEDIOBANCA - BANCA DI CREDITO FINANZIARIO S.P.A." 6

AMENDMENTS TO THE SECTION "RISK FACTORS"

In the section "Risk Factors", paragraph 1.(A) "RISK FACTORS RELATING TO THE INTEGRATION OF THE MONTE DEI PASCHI DI SIENA BANKING GROUP" at page 36 et seq. of the Base Prospectus shall be entirely replaced by the following:

(A) RISKS RELATED TO THE BUSINESS OF MEDIOBANCA AND ITS SUBSIDIARIES AND TO THE SECTOR IN WHICH THEY OPERATE

Risks related to corporate integrations and reorganisations in which the Issuers may be involved

Starting from 15 September 2025, Mediobanca and its subsidiaries are subject to the management and coordination of Banca Monte dei Paschi di Siena ("**BMPS**"), falling within the scope of its group (the "**MPS Group**"). As part of the integration process, the Boards of Directors of BMPS and Mediobanca, meeting on 10 March 2026, approved the merger plan (the "**Merger Plan**") for the incorporation of Mediobanca into BMPS (the "**Merger**").

On 29 October 2026, the Extraordinary Shareholders' Meeting of BMPS, called to resolve, *inter alia*, on the approval of the Merger and the related amendments to the By-laws, voted against the aforementioned item on the agenda, with 63.65% of the share capital present at the meeting.

On the same date, the Shareholders' Meeting of Mediobanca, called to resolve on the same matter, cast votes in favour of the plan for the merger by absorption of Mediobanca into BMPS through the designated representative. However, the failure of the Extraordinary Shareholders' Meeting of BMPS to approve the Merger has removed the essential prerequisite for the completion of the transaction, which, as a consequence, will not be carried out.

On 8 June 2026, Intesa Sanpaolo S.p.A. issued a press release pursuant to Article 102 of Legislative Decree No. 58 of 24 February 1998 and Article 37 of Consob Regulation No. 11971 of 14 May 1999, announcing its decision to launch a voluntary public tender and exchange offer for all of the ordinary shares of Banca Monte dei Paschi di Siena S.p.A., the parent company of the MPS Group, to which Mediobanca belongs.

These events, together with a possible success of the voluntary public offer launched by Intesa Sanpaolo S.p.A., could give rise to uncertainty as to the manner in which such integrations will be implemented.

The possible integration process could entail numerous typical risks inherent to the process itself, including, but not limited to: possible delays in implementing integration-related activities; the need to make significant unforeseen investments in equipment, information management, IT systems, IT services, and other critical business infrastructures; as well as the management of unforeseen technological challenges connected with the integration of the two companies' IT systems; a significant workload required of Mediobanca's resources to carry out the integration; management of the personnel adaptation process and the need to allow adequate time for the implementation of the necessary organizational changes; the ability to retain and manage the most experienced management and key figures within Mediobanca and its subsidiaries; and the ability to successfully manage and maintain business and contractual relationships with financial advisors, bankers, clients, suppliers, and commercial counterparties during the integration process.

Therefore, as at the date of the Base Prospectus and in light of the above, any reorganizations in the process of integrating Mediobanca and its subsidiaries into the MPS Group or into another banking group could have a negative impact on their economic, equity and financial position.

AMENDMENTS TO THE SECTION "INFORMATION ON MEDIOBANCA - BANCA DI CREDITO FINANZIARIO S.P.A."

(i) *The paragraph "Information on trends, uncertainties, requests, commitments or known facts which could reasonably be expected to have material repercussions on the Issuer's prospects for at least the current financial year" at page 1031 of the Base Prospectus shall be entirely replaced by the following:*

Information on trends, uncertainties, requests, commitments or known facts which could reasonably be expected to have material repercussions on the Issuer's prospects for at least the current financial year

Mediobanca is not aware of any information on trends, uncertainties, requests, commitments or facts known which could reasonably have significant repercussions on Mediobanca's prospects for the current financial year.

(ii) *In the paragraph "RECENT DEVELOPMENTS" at page 1039 of the Base Prospectus the following events shall be deemed to be added:*

RECENT DEVELOPMENTS

The Shareholders' Meeting of Banca Monte dei Paschi di Siena S.p.A. does not approve the merger plan with Mediobanca

On the same date, the Shareholders' Meeting of Mediobanca, called to resolve on the same matter, cast votes in favour of the plan for the merger by absorption of Mediobanca into BMPS through the designated representative. However, the failure of the Extraordinary Shareholders' Meeting of BMPS to approve the Merger has removed the essential prerequisite for the completion of the transaction, which, as a consequence, will not be carried out.
