

MEDIOBANCA

PRESS NOTE

MEDIOBANCA ONE OF THE COMPANIES INCLUDED IN THE 2022 SUSTAINABILITY YEARBOOK PROMOTED BY S&P GLOBAL

Mediobanca is one of the listed companies that has been included by S&P Global in its 2022 Sustainability Yearbook.

The initiative showcases the global listed companies with the best sustainability performances, based on the scores obtained by them in the Corporate Sustainability Assessment, the scoring model developed by the international rating agency.

This year S&P Global has assessed the sustainability performances of more than 7,500 companies operating in 61 different sectors, including just the 716 companies with the best scores in the Yearbook. These companies include Mediobanca, which achieved above sector average scores for all environmental, social and governance categories analysed.

This achievement represents recognition and further confirmation of the commitment by Mediobanca, which is now included in the most important international sustainability indexes, to integrating ESG factors into its business model, to continuing on its roadmap towards sustainable growth.

Milan, 1 February 2022

About Mediobanca

Mediobanca is a diversified listed banking group. It is the leading Italian investment bank, with an unparalleled track record in lending, advisory and capital market services and a growing footprint in Southern Europe. The Group is also one of the leading Italian consumer credit operators, and a significant player in wealth management, serving clients in both the Affluent & Premier and Private & HNWI brackets. Founded in Italy in 1946, Mediobanca has always combined tradition and innovation, offering its clients specialized, innovative, bespoke products. An established reputation based on professionalism and discretion, combined with capital quality and solidity, make Mediobanca today the ideal business partner for companies looking to grow in Italy and Europe.
